Audience Demography*

Every day IT professionals and executive decision makers with direct influence over the purchasing process turn to us for in-depth product analysis, peer to peer recommendations and product comparisons while offering their own opinions on the latest products hitting the shelves.

38% of visitors say that WindowsNetworking.com has a major or very high influence in forming their opinion on related products and services.

49% of visitors are directly involved in the purchase of IT goods/services for their company.

53% of visitors consult WindowsNetworking.com to find specific products to fulfill their technical requirements.

66% of visitors are Systems Administrators or Senior Level IT Professionals.

**Based on June 2012 Site Surveys*

Advertising Options

Product Review

Your product will be reviewed by one of our own Microsoft MVP authors. The review will appear on the homepage and remain there for approximately 2 weeks until it eventually gets bumped off the page by newly added content. The review will remain available to our visitors from within our Product Review section. Your product will receive a Bronze, Silver or Gold award depending on how our author rates your product.

Lead Generation Webinars

Each webinar will include a 10 to 15 minute presentation by a TechGenix subject expert to be followed by a 10 to 15 minute presentation by the Sponsor's subject expert which ties into the main presentation topic and related Sponsor products. The main presentation topic is selected by TechGenix, based on collaborative input from the Webinar Sponsor and TechGenix subject experts.

List Rental Services

Share your message directly with thousands of our newsletter subscribers. Your customized creative and subject line will be sent to our opt-in subscribers within our newsletter template guaranteeing a high quality return.

Sponsored Text Links

Your text link displayed below the primary page content throughout the site. Sponsors may place up to 220 characters per text link. As a highly visible ad with maximum impressions, this option is perfect for attracting a heavy volume of potential clients to your site. Only five spots are available per site.

- ~450K impressions per month

Category Sponsorship

Your 728x90 leaderboard banner will be placed exclusively at the top of the page, your 300x600 half page banner will be placed exclusively at the right-hand side of the page, and your product will head the list of products in that section as the 'Featured Product'. Attention is further drawn to your product by use of the 'Featured Product Logo' that appears alongside your product title. On average, the Featured Product enjoys 2-3 times as many clicks as normal product listings do. This opportunity allows you to reach the most highly targeted audience possible.

Homepage Rectangle Banner (300x250)

Your 300x250 banner will appear on the highly coveted WindowsNetworking.com homepage, in the right-hand sidebar, just below the fold.

- ~13K impressions per month

Run of Site Half Page Banner (300x600)

The half page banner (300x600) provides maximum impact and maximum space to get your message across. This banner will be in rotation throughout the site (except the forum) on the right hand side of our pages.

Featured Product Banner (125x125)

Your product featured on every page of the site (including the homepage), as a highly visible 125x125 banner above the fold in the right-hand sidebar, offered exclusively to one advertiser. This is available for a fixed monthly fee, perfect for a sustained campaign that provides value and simultaneously enjoying the highest volume of impressions possible. Two Featured Product banner spots are available per site.

- ~450K impressions per month

Run of Site Rectangle Banner (300x250)

Your 300x250 banner will appear in rotation throughout the site. This is a popular spot that appears prominently on the right-hand side towards the top of the page.

Article and Tutorial Rectangle Banner (336x280)

Your 336x280 banner will appear in rotation within our articles & tutorials. This inline banner appears near the end of an article.

Run of Site Leaderboard Banner (728x90)

Top banner (728x90) placed in rotation throughout the site.

Article Update Newsletter Sponsorship

Sponsors of our article update newsletters may place up to 500 characters of their promotional text and a 190x100 graphic directly below the Just Published section of each newsletter that is released. Each newsletter has its own opt-in newsletter subscriber base.

- Real-Time Article Update Newsletter: 70K opt-in subscribers
- Monthly Article Update Newsletter: 72K opt-in subscribers

Monthly Website Newsletter Sponsorship

Sponsors of our monthly site newsletter would have up to 500 characters of their promotional text and company logo (not exceeding 190x100) appearing multiple times within the newsletter, including at the top and the bottom. Only one sponsor per newsletter is permitted to ensure that the advertisement is prominently displayed thereby maximizing the value of this spot.

- Website Newsletter: 59K opt-in subscribers

White Paper Category Sponsorship

Sponsoring a White Paper category insures your white papers will be read by a targeted high-tech audience. Your 728x90 leaderboard banner will be placed exclusively at the top of that section and your white paper will head the list of white papers in that section as the 'Editor's Pick'. Attention is further drawn to your white paper by use of the 'Editor's Pick Logo' that appears alongside your white paper title.
